**ADMINISTRATIVE LAW JUDGES' RULING NOTICING
COMMUNITY MEETINGS AND ATTENDANCE BY ONE OR
MORE COMMISSIONERS AND ADVISORS AT THE MEETINGS**

Commissioner Carla J. Peterman of the California Public Utilities Commission (CPUC) is holding, and will preside over, three community meetings in September 2017 regarding the vehicle transportation electrification proposals that were filed in response to Senate Bill 350 (Statutes of 2015, Chapter 547 .) These three community meetings will allow the Commissioner, CPUC staff, and members of the public to discuss the impact of the transportation electrification applications and proposals of Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas & Electric Company on local communities, and to gather feedback on community needs in regards to clean transportation alternatives.

Each meeting will include a presentation by CPUC staff on the utility's transportation electrification proposals, and the CPUC's activities regarding transportation electrification. This will be followed by comments by community

groups and the public regarding the impact of these projects on local communities. These three community meetings will be recorded either by a court reporter, videotaping, or some other recording medium.

The three meetings have been scheduled as follows:

| Date and Time | Location |
|---------------------------------|--|
| September 13, 2017 6:00 p.m. | Richmond City Council Chambers 440 Civic Center Plaza Richmond, California |
| September 26, 2017 6:00 p.m. | Mexican American Legal Defense and Educational Fund 634 South Spring Street, Edison Room Los Angeles, California |
| September 27, 2017 6:00 p.m. | Chula Vista Council Chambers 276 Fourth Avenue Chula Vista, California |

It is expected that one or more Commissioners will attend and participate at these three September community meetings. However, no vote or action of the CPUC will take place at these community meetings. The Commissioners' advisors and the assigned Administrative Law Judges may also be in attendance at the community meetings.

Rule 8.1(c) of the CPUC's Rules of Practice and Procedure states in part that an *ex parte* communication means a written or oral communication that "does not occur in a public hearing, workshop, or other public forum noticed by ruling or order in the proceeding, or in the record of the proceeding." These three community meetings are being noticed through this ruling, and will appear in the CPUC's Daily Calendar. As a result, any discussion regarding the issues in these proceedings at these three community meetings is not subject to the

ex parte reporting requirement for the aforementioned consolidated proceedings.

IT IS RULED that:

1. Notice is hereby provided that Commissioner Carla J. Peterman of the California Public Utilities Commission is holding three community meetings in the above-captioned proceedings on the following dates and locations:

- September 13, 2017, Richmond City Council Chambers, 440 Civic Center Plaza, Richmond, California, at 6:00 pm.

- September 27, 2017, Chula Vista Council Chambers, 276 Fourth Avenue, Chula Vista, California, at 6:00 pm.

2. Any discussion of the issues raised at these three community meetings are not subject to the *ex parte* reporting requirements of the California Public Utilities Commission's Rules of Practice and Procedure for these consolidated proceedings.
